1.0 L • 6 bot.	7 SKU	25.8×17.1×35 — 26.7×17.7×36.8	80	920 – 968

Corrugated cases for every position in the portfolio.

How an order ships

MINIMUM ORDER

6 pallets

Minimum commercial lot — 6 full EUR pallets.

MIXED LOAD

Available

Different SKUs may share one container.

20' CONTAINER

11 pallets 120 × 80

From 5,280 to 8,800 bottles depending on SKU.

40' CONTAINER

25 pallets 120 × 80

From 12,000 to 20,000 bottles depending on SKU.

SHIPPING

Palletised / loose

As agreed with the partner.

PRODUCTION

≈ 21 days

After prepayment. The price does not change for a partial container.

Container loading per SKU is in the technical annex; supply cost is in the price list.

What travels with each shipment

DOCUMENT SET PER SHIPMENT

- | | |
|----|--------------------------------|
| 01 | Contract specification |
| 02 | Commercial invoice |
| 03 | CMR |
| 04 | Loading report |
| 05 | Packing list |
| 06 | Quality and safety certificate |
| 07 | Certificate of origin |
| 08 | Goods declaration |

EXPORT READINESS

- | | |
|-------------------------------|------------|
| Product specification | AVAILABLE |
| Export documentation | AVAILABLE |
| Case and pallet specification | AVAILABLE |
| Barcode / EAN | AVAILABLE |
| Certificate of origin | ON REQUEST |
| Quality documents | ON REQUEST |
| Label adaptation | ON REQUEST |
| Sample availability | ON REQUEST |

The document set for a given destination market is defined at the commercial-proposal stage.

From first enquiry to shipment, through one team

01

Enquiry

Country, sales channel, brands of interest and volume.

02

Qualification

Review of market, category and partner requirements.

03

Commercial proposal

Assortment, available SKUs, volume and terms.

04

Samples and documents

Samples, specifications and registration materials.

05

Production and preparation

Marking, packing and batch assembly.

06

Logistics and launch

Shipment and market-entry support.

One point of accountability across all six steps — a single contact for the partner.

What comes with the portfolio

01

Container economics

Cases, bottles and weight per SKU for 20' and 40'.

02

Flexible entry

Orders from 6 pallets; mixed loads permitted.

03

Predictable lead time

About 21 days of production after prepayment.

04

Complete document set

Specification, invoice, CMR, packing list and certificates.

05

Seven lines, one contract

From value to premium in a single shipment.

06

Post-shipment support

Sales materials, cocktail serves and launch support.

How the portfolio lays out on shelf

Four assortment tiers and three bottle formats in one shipment.

 PREMIUM	GLUBINA	Black Pearl · White Pearl	0.7 L	2	SKU
 CONTEMPORARY	TESLA · STUDINKA	Platinum · Universe · Superior · Cool · Fresh · Chill	0.5 L	6	SKU
 CORE	VERBA · LIBRA · XXI CENTURY	Verba · Silver · Gold · XXI Platinum	0.5 · 0.7 · 1.0 L	10	SKU
 VALUE	SSSR LUX · XXI CENTURY	SSSR Lux · XXI Classic · XXI Gold	1.0 L	3	SKU

All positions are 40 % ABV. Tier positioning is indicative.

Four serves for the export collection

Recipes in the technical annex

Support for HoReCa partners

A venue gets more than a bottle.

01

Assortment selection

matched to the venue concept

02

Cocktail concepts

ready serves with photo and recipe

03

Bartender materials

descriptions, recipes, serve logic

04

Tastings

when listing a position on the menu

05

POS materials

as agreed

06

Launch and activation

support at the start of sales

The scope of support is confirmed per market and partner.

Your brand at the Belalko distillery

MASTEFI's core business is representing the Belalko brand portfolio. A partner's own label is produced at the same plant and to the same export standards.

01

Brief and segment

Country, channel, price tier, buyer.

02

Recipe and format

Category, strength, profile, volume.

03

Packaging

Bottle, closure, label, case.

04

Market adaptation

Language, mandatory information,
marking.

05

Samples

Test run, review, approval.

06

Production and export

Documents and the export batch.

What we need to prepare a proposal

Marking, samples and documents come second. Four points are enough for a first contact.

01

Country and market

Where the shipment is intended.

02

Sales channel

Import, distribution, retail, HoReCa.

03

Lines of interest

Brands and specific SKUs from the portfolio.

04

Indicative volume

Pallets, a container or a trial order.

YOU RECEIVE

An assortment proposal for your channel · commercial terms
specifications and barcodes · container loading calculation
